## SYSTEM

Double cleaning trolley with ergonomic roll wringer  
Ideal for cleaning medium-large areas where it is necessary to rinse the mop

## GREEN BOX

Components made with certified recycled plastic PSV - Second Life Plastic

**Efficient:** suitable for removing wet, greasy or stubborn dirt in areas where rinsing is required, separates the cleaning solution from the rinsing water and is equipped with colour-coded buckets made from 50% recycled plastic

**First CFP Systematic Approach certified in Italy:** the system developed by TTS makes it possible to quantify greenhouse gas emissions for each stage of the product life cycle  
Quantifying the Carbon Footprint of a product (CFP) enables an environmentally conscious and responsible choice

**Eco-friendly:** completely made of polypropylene, non-rusting, solid and entirely recyclable  
**Sustainable:** stackable frame to optimise transport, which reduces the environmental impact

## Advantages

- **Design:** well-finished, subtle and stylish to fit into any environment
- **Ergonomic:** Wringing with roll allows an effort reduction of 30% in comparison with traditional wringers
- **Time-saving:** with bottomless wringer rinsing and wringing take place with one single simple movement inside the wringer, saving time and effort
- **Handy:** lightweight and compact to facilitate manual handling during cleaning operations
- **Versatile:** the single frame is compatible with 15 and 25 L buckets
- **Shock-resistant:** one-piece frame entirely made of plastic, guarantees lightness and strength and increased lifespan
- **Handy:** stackable frame to minimise storage space
- **Easy to assemble:** without screws
- **Customisable:** available with convenient hook for floor sign or duster and basket to hold cleaning tools

## Compatibility

Compatible with flaps system

## Material

Polypropylene

## Features

Provided with ergonomic and flexible handle

The roll is adjustable in 3 different positions (position 1= very wet mop; standard position= wet mop; position 3= damp mop)

Wringer complete with front anti-spurt panel and equipped with handle holder to fix the handle during transport
